To help you, the host, prepare for this production; we'd like to give you some information and suggestions.

Foolish Wiseman

3 actors, 35 minutes

Meet Ogion, the comical and little-known fourth wise man. Afraid of the dark, this befuddled hero has little chance of following the Bethlehem star until he runs into two thieves, Leah and Jacob, who believe it would be profitable to assist this foolish, yet wealthy, man. What they find at the journey's end is a treasure more wonderful than they could conceive. **This light-hearted Christmas comedy is perfect for audiences of all ages.**

YOU CAN INCREASE THE EFFECTIVENES OF THE PERFORMANCE BY:

- Having someone available to meet the team when they arrive at your church/organization.
- Having someone available to introduce and conclude the performance.
- Setting high standards for audience behavior – turning off cell phones, not talking during the performance, etc.
- Having the nursery available for infants and children under age 4. The performance is suited for all ages except babes in arms and young children with very short attention spans.

PLEASE:

- Provide access to a warm-up room before the show.
- Provide access to the performance space 1 hour before the show. The team will need 15 minutes to set up and about 15 minutes following the performance to be out of the space.
- The play needs a performance space 15' wide by 15' deep (ideally).
- Have the performance area clear and ready for use.
- Provide men's and women's dressing rooms. (Restrooms are fine.)
- Turn off noisy heating or air conditioning fans during the performance.
- Ensure no flash photography or recording occurs during the performance
- Provide a table in the foyer area for Taproot marketing materials.
- Taproot does not provide amplification unless specific arrangements are made. Actors will not require amplification for groups of 225 or less. If you are providing mics, they need to be hands-free, wireless mics (lapel or over the ear).

Thank you for your attention to these details!
