Re-ignite the Mind with with Imagination

This is a lightly guided, slightly slower paced class that uses improv exercises and guided imagination experiences that are designed to rely on and activate long lasting memory that can still be accessed by those with Early to Mid-Stage memory loss.

Care partners are welcome and encouraged to attend as improv can add a wonderful new dimension to shared daily life.

To engage in Taproot's monthly Early Stage Memory Loss improv class via Zoom (Z-improv) or in person, email reignite@taproottheatre.org for more details.

“Improv is all about saying, YES, to whatever happens IN THE MOMENT in creative play. Taproot's trained improv teachers lead our memory loss classes, and students excel in this creative setting, utilizing multiple areas of memory that still function well. The end result is a feeling of success and accomplishment in a class filled with laughter and social connection.”
